Our department made a visit to Ashram shala at ashegaonpurna ,Ta : Chandurbazar , Dist: Amravati on 13/08/2018.

There were 50 students along with 04 faculty members in this visit. The aim of our visit was to acquaint the students with the various degree courses in Science , Commerce , Arts ,Engineering and Medical and also to provide guidance about competitive examination of several government services and various games in sport section.

It was on a late afternoon. Not our first time to visit the orphanage, but during this second visit our students able to see and learn a great deal more about orphanage in general. Our first visit was a quick one on one early morning. It was to help an internal staff meeting for the orphanage, and during that first visit we did not get a

chance to interact much with the children.

On second visit, which was also accompanied by the same friend. We wanted to get the students the first hand experience from the field about societal problems, and this orphanage happened to be on our list of possible sites. The students seem to get the lessons we intended them to learn on that day, but they weren't the only one. we too got a few new lessons as well.

135 students are enrolled in this ashramshala. Our students guided and motivated the ashramshala's students. We segregated the students in two batches. First batch comprised of students from 1<sup>st</sup> to 4<sup>th</sup> standard and second batch was made of

students from 5<sup>th</sup> std to 7<sup>th</sup> standard. 40 and 45 students respectively were present in each batch.
